

REGION VI CENTURY PATCH LOG

The Region VI Century Patch promotes Samboree attendance and visitation of states within Region VI. Attendance at 10 sanctioned State or The Rally, with at least three of the 10 being hosted by three different Region VI states, qualifies you for the basic patch. Each additional 10, again with at least three different Region VI state entries, qualifies you for a Satellite State Flower patch. First and subsequent awards are available for purchase from any Region VI State Director. Only one log is required per family rig. Your log must be presented when claiming award patches. Only Samborees conducted after January 1, 1993 qualify for this program.
